TENDER FORM

To
(name and full address of the contracting authority)

In attention to all those concerned,

1. Having examined the tender documentation, the undersigned, representatives of the tenderer

_____, undertake that, according to the provisions and
(denumirea/numele ofertantului)

the requirements contained in the above-mentioned documentation, **to design and execute**

(work denomination)
for the amount of _____(tender currency), to which is added the
value added tax amounting to _____.

2. We undertake that, if our tender is determined to be the winning one, we will start the provision of the services immediately after signing the contract and will start the works as soon as possible after receiving the start order and to complete the works in accordance with the Work Plan for the design services and the execution schedule present in the Technical Proposal, in ____calendar months.
(period in letters and digits)

3. We undertake to maintain this tender valid for a period of
_____days, respectively until the date of _____
(duration in letters and digits) (day/month/year)

and it will remain binding on us and may be accepted at any time before the expiry of the validity period.

4. Until the conclusion and signing of the public procurement contract, this tender, together with the communication sent by you, by which our tender is established as the winning one, will represent a binding contract between us.
5. We mention that:

☐ we submit an alternative tender, which details are presented in a separate tender form, clearly marked "alternative" ";

☐ we do not submit an alternative tender.
(check the corresponding option)

6. We understand and agree that, if our tender is determined to be the winning tender, we will provide a performance bond in accordance with the provisions of the tender documentation.
7. We understand that you are not obliged to accept the lowest price tender or any other tender you may receive.
